1. Mitch McConnell will move from SSCI to Foreign Relations in January. He will be replaced on SSCI by John Warner. Robin Cleveland will join Senator McConnell's personal staff where she will focus on foreign relations.

2. I ran into Frank Sullivan who will be SAC staff director and also staff director of SAC Defense Subcommittee. (This may be the result of longstanding ties with Sam Nunn.) I told Frank that there are numerous local facilities--e.g. NPIC--that he should visit. We agreed that after the first of the year I would work with his secretary (Barbara) to set up one day trips.
